

Bicycle and Pedestrian Count Volunteer Instructions

Dates:

Volunteers can choose to conduct the count on Tuesday, Wednesday, or Thursday, **October 1, 2 and 3.**

Time(s):

7:00-9:00am or 4:00-6:00pm

Volunteer Coordinators:

For questions specific to Burien, contact:
Jimmy Schulz : info@wabiburien.org

Enclosed in this packet:

- 1) a bicycle and pedestrian count form + count instructions

Other Items Needed:

Please make sure to bring:

- 1) a pen / pencil
- 2) something to write on (clipboard, portfolio, etc.)
- 3) a timekeeping device (cell phone, watch)
- 4) weather-appropriate clothing, water

Introduction:

This is an annual bicycle and pedestrian count taken at locations throughout Washington State in nearly 40 jurisdictions. Data collected from these counts will be used to monitor success in increasing bicycle and pedestrian travel as identified in the Washington State Bicycle Facilities and Pedestrian Walkways Plan while also providing critical data to support improvements to bicycle and pedestrian facilities.

Conducting the Count:

Each location will have at least one counter. Depending on the number of volunteers, some locations may have more than one counter. In these cases, please use only one count form per location. Since the locations with multiple counters are expected to be busier, it will work best if one person counts and the other person fills out the forms.

You have been provided with one copy of the count form. Please make sure to indicate the correct time period (either 7-9 am or 4-6 pm). Also, please make sure to write your name and count location on each form.

The count itself is very simple: place a hatch mark on the form for each passing cyclist, pedestrian, or other non-motorized transit. People in wheelchairs are to be counted as pedestrians, as should children in strollers. People walking their bicycles count as bicyclists. People on rollerblades, skateboards, scooters, and other *non-motorized* transport devices are to be counted as "Other." A person who passes by a point more than once is counted each time they pass by the point.

Whom do you count? Only count those cyclists or pedestrians passing through your post (intersection)! This includes anyone who is walking their bicycle past your post. Do not count passersby on nearby streets unless specifically instructed to do so, as this could result in double-counting.

Other Information: The accuracy of the count depends largely on the coverage of all points during the entire morning and evening commute. ***Please make sure to get to your location 15 minutes or more ahead of count time!***

Please e-mail all forms to info@WabiBurien.org with the subject line "2013 Bike/Ped Count Forms". A scan is ideal, but a photo taken with a smart phone will work as well. Be sure to include both pages. WABI will tally all the forms and forward them to Cascade Bicycle Club.

Thank you for your help!!!!

Pedestrian and Bicyclist Count Form (page 1 of 2 – please return both pages)

Name : _____ City: _____ Date _____

Location: _____ Time slot: _____

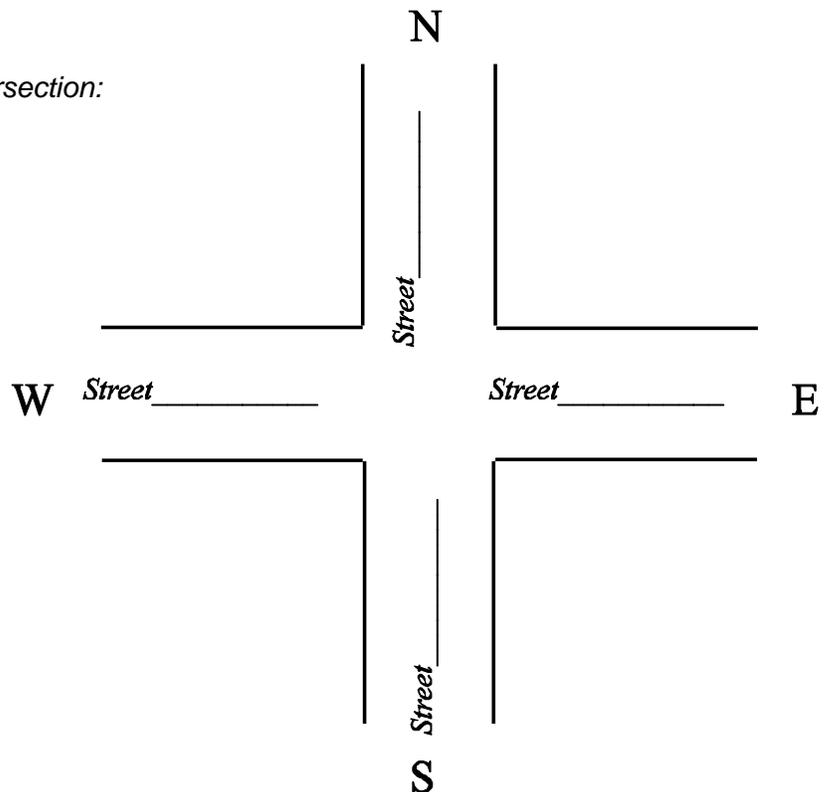

Weather: _____

Directions: Please place a hatch mark on the form for each passing cyclist, pedestrian, or other non-motorized transit. People in wheelchairs are to be counted as pedestrians. People walking their bicycles count as bicyclists. People on rollerblades, skateboards, scooters, and other non-motorized transport devices are to be counted as “Other”.

Have your bearings and ensure that the **hatch mark is placed in the direction of travel**. If you are located at an intersection, the direction of travel when leaving the intersection should be recorded. For example, a cyclist starting northbound and then turning right at your location should be noted as traveling eastbound.

Gender and Helmet Use: Depending on the volume of travelers at your location, you may be able to collect additional information, such as gender and helmet usage. If you are able to collect this information, please do so in the appropriate box on the following page. Some intersections may be too busy to capture this information – if this is the case, please focus on the direction and mode of travel.

Please indicate each leg of the intersection:

Volunteer Instructions and Count Form | 2013

		NORTHBOUND	SOUTHBOUND	EASTBOUND	WESTBOUND	TOTAL
User	Gender					
Bicyclist	<i>Male with helmet</i>					
	<i>Male without helmet</i>					
	<i>Female with helmet</i>					
	<i>Female without helmet</i>					
Pedestrian	Male					
	Female					
Other (rollerblade, etc.)
